Mr. Wasmate D.N.
Ms. Kolsure J.

Coordinator : Mr. Deshmukh S.U.

Co-coordinators : Mr. Wasmate D.N, Ms. Kolsure J.

Industrial Visit Report

Industry Profile.

RAP a new concept ever first time Open in Nashik established in 2012 which is a playing a worthwhile role in the field of education and ultimately Pharmaceutical chemical bio organics petroleum and many other industries.

We observe number of students B Pharm B.Sc. M Pharm. M.Sc and others who are good at theory but lack in practical skills like in ideas and operation of sophisticated analytical instruments.

When students join industry they do not have experience of operating analytical instruments so that they spend more time in learning the instrument and industries can't afford to train them with this purpose we have started analytical instrument Training Centre to train students when they are actually doing their academic course and which will also help them to cope their needs. Through this endeavor we want to make students are able to get job in steamed fields as this analytical instrument has been widely exploited in the industry like Pharmaceutical food Chemical by organic petroleum and many more.

Purpose of Industrial Visit

- 1) To interact the students with actual industry personals.
 - 2) To make them aware of the industrial procedures required to enter in any company.
 - 3) To experience the working environment in industry and visualize the all the important Departments in the Industry.
 - 4) Interaction of students with the peoples of all important departments.
 - 5) To prepare the students for the selection of carrier path in different departments of industry.
-

Industrial Visit Report

Strength behind the visit

Dr. Bavage Shyamlila has approved the industrial visit and encouraged the committee for organizing similar kind of activities for the benefit of students.

Training and placement cell recently organized a Virtual campus drive by the collaboration with Tata Constancy services Mumbai. Many Experts from the industries have suggested that students of final year B Pharm should visit the industries to experience the actual working environment and the processes. Lupin production head Mr. Rakesh Pakale sir has also suggested the industrial visit for the chemistry students will be helpful to face the interviews.

Mr. Deshmukh S.U. has taken continuous follow-up with RAP to organize Analytical Training program, Dr. Bavage Shyamlila has encouraged the students to participate in the Industrial Visit. All the faculty members of the Latur College of Pharmacy Hasegaon supported this tour.

Industrial Visit Report

Ground report

First of All I would like to give lots of Thanks To Our beloved and Respected Principal Mrs. Bavage Mam for gave us permission for trip and Support us. Our journey started from Deshi Kendra Vidyalaya Latur by the Best wishes from the Treasurer of Shri vetaleshwar Shikshan Sansthas Hasegaon and parents of Final year students. The Journey is started by puja of Vehical. (Baheti tours And Travels) at 08:30 Pm on date 21/12/2021. We all reached at Trambakeshwar on date 21/12/2021 at 06:00 am on Then we gone for the foremost place i.e. RAP program. There we learnt about The instruments i.e. HPLC, Gas Chromatography, UV Visible Spectroscopy, Dissolution apparatus. The Demonstration and Lecture given by Director of RAP Analytical & Research center Mr. Rohan Pawar sir and Khetani madam. They also give the information about how to write a review & Research paper. We are also Sign the MOU with RAP Analytical & Research center for the duration of 5 Year. All this activity is continued till the 05: 00 Pm, after that we all are took a group photo with Director Mr. Roahn Pawar Sir and all the Staff of RAP. They also gave the Appreciation certificate to Latur College Of Pharmacy, Hasegaon and distribute the Certificate to participated students. Our team member Mr. Wasmate D.N. sir gave the vote of t for arrangement of such a wonderful training programme that will be beneficial for our students through out life. After that we travelled For Ozar Ganpati one of from Ashtavinayaka we took the Darshan and continued for next journey during the journey students are engaged in playing Antakshari and some students performed dance on song. Then we reached at Shriwardhan on date 22/12/2021 at 06:00 am by finished break fast we reached on beach.. we all of us enjoyed boat riding, camel riding, photoshoot etc. after lunch travelled for diveaagar. there we went to bappa's temple and further we gone for The Most difficult Fort of the "Maratha Kingdom" i.e. sea fort 'Murud Janjira'. Really it was amazing to travel in boat and reached there. Main features of this fort is "The well of

Industrial Visit Report

Sweet water" and 2nd thing is "Balekillaaa" we were Seen. On the way of returned we are done the full group photo including all the tour management team all are very happy during the photo session, Also we got some information about The fort from the boat management team Mr. Sangram Deshmukh told to boat guide to say a Sheroshyari then boat guide told 3 "Sher" our students clapped on each shel and thanks them. After tht we we gone for "Poladpur" for Nignt stay on date 22/12/2021. Really it's one of the enjoyable nd memorable stay in our whole tour becoz of there enjoyment of DJ night, songs, dance and The delicious night dinner in the ambient environment. Apart from it finally we gone for Most awaited as well as we can called tht the leading palce of our tour.. The Capital of Marahta Kingdom i.e. "Raigadh" we called it Heaven in Maharashtra as well as Marahta Kingdom on date 23/12/202. We climbed Whole 1737 steps and finally saw Raigadh. After tht we gone for Village Mahad and saw there Dr. Babasaheb Ambedkar Garden and "Chavdar Tale" and we stood there at night.

At early morning sharp 6am me travelled for Pratapgadh. We saw Pratapgadh. And guide of Pratapgadh told us all information about it. We enjoyed there without the fear of Monkeys

After tht we finally travelled for mahabaleshwar on date 24/12/2021 at 01:00 pm . All of us done so much more shopping there.And enjoyed Horse riding too, after lunch we are started the return journey towards Latur this is the last night of tour so everybody discussed about the successful of training programme and places saw and Shopping done by everyone all are very happy. Then we are reached at Latur at morning 06:00 am , At starting point (Deshi Kendra Vidyalya Latur) already all the parents are waited to receive their Childrens all are very happy.....

Industrial Visit Report

Miss. Purva
Puskar

B.Pharm Final
year

Industrial visit to RAP Analytical & Research Center ,Nashik was a good experience which provided us exposure to the industrial life linking theoretical knowledge and practical. RAP- analytical research and training Centre Nashik, sir explained each little thing very clearly and made sure that our every question will be sorted. Sir and their team properly made us to wear mask, cap, along with a water bottle and made our teams for well understanding the demo as well as the theory lecture. Sir and the team was very polite and professional that we all students and teachers felt very nice and satisfying after a perfect industrial visit.

Mr. Mane
Shubham

B.Pharm Final
year

I am Mr. Shubham Pandit Mane , student of B pharm final year from Latur college of pharmacy, Hasegaon.

I want to express my experience about a institute visit at RAP-analytical reasearch and training center Nashik.

They divide us in two groups and managed our demo and theory section. In demo lecture they taught us about instruments and regarding all instructions for handling that instrument and how's it working and in Theory lecture mam cleared all our doubts regarding that instrument. Sir and team members were very polite and professional. We all have gained a huge knowledge and learned about the manual RP-HPLC, Gas Chromatography and U. V spectroscopy. Understand about working, instrumentation and all other minute things which are important. Behalf of their institute they gave us Certificate for completion of training. I am grateful for this full of enlightened and experience visit at RAP of my college, teacher's and Mr. Rohan Pawar sir.

Industrial Visit Report

Students Review about the Industrial visit

	<p>It was a very good experience for me as well as for all other students. A huge bulk of students for industrial visit is impossible but our department made it possible. The members of RAP-analytical research and training center Nashik, gave a very quick response to students. We learned so many things such as how to write the research and Review. They gave a proper knowledge about the whole analytical instrument.</p>
<p>Miss. Manisha Mashalkar B.Pharm Final year</p>	<p>first of all, I will thanks to Latur college of Pharmacy, Hasegaon for arrange educational visit to rap analytical and research center, Nashik .I acquire very important knowledge through RAP analytical and research center. I would like to express my sincere thanks to member of RAP analytical and research center for giving permission to visit that industry and for their coordination and faithfulness to our educational visit. We are greatfull to RAP analytical incharge Mr. Rohan pawar sir for providing many information. Practical and theoretical knowledge is very good and helpful for me in future thank you heartily. I have see HPLC, UV, GC, Dissolution and Disintegration instrument. We are highly indebted to our respected teacher Mr. Deshmukh sir and Mr. Wasmate sir for his advice, help and giving proper guidance to all the student of B. Pharm Final year in our educational visit . Such a great oppottunity for me, I join RAP analytical and research center Nashik.</p>

SANT GADGEBABA CHILDREN ORPHANAGE, LATUR

ORPHANAGE PROFILE

SANT GADGEBABA CHILDREN ORPHANAGE

Shri Vetaleshwer Shikshan Santha, Hasegaon has arranged One Day visit to children orphanage for D. pharm 1st year and 2 year students. As per the MSBTE & PCI diploma syllabus.

On date 28.03.2023 we visited to the orphanage with 100 students along with 4 faculty members in morning session. After visiting to this orphanage we have conducted a small program by our students for orphanage children, details of program as fallows...

- Firstly we have taken hand prints of orphanage children with different colours to make them special and happy.
- Secondly our students have distributed snacks and fruits to the orphanage children.

Our students has gain the knowledge by seeing their conditions and situations as well as their business without support of parents but these children's are so much happy in this orphanage. The moral of this visit is "If we dedicated to leave the life we can leave the life".

PURPOSE OF VISIT

- Being in line with the vision of the orphanage and working in educating children in non-traditional education
- Venue recce
- Interviewing children to understand the mindset
- Organizing workshop with the children to access/measure their need
- Reaching/aiming one particular area to develop in the orphanage - in a follow-up meeting

STRENGTH BEHIND THE VISIT

To sensitize and make students aware about the under privileged children and to inculcate the feeling of sympathy among Pharmacy students. This activity helps students to understand that they have larger responsibility towards the society and its wellbeing other than their own studies and career progression.
